

Event submission form

We undertake to publish events on our website free of charge to form a calendar of what's on in the Western Lake District. Organisers do not need to be paying supporters to have their event listed. While events run for commercial gain are accepted, we reserve the right to exclude blatant advertisements which we judge do not meet the criteria for inclusion.

Forms should be completed and emailed to info@westernlakedistrict.com with your images. Manually-completed forms scanned and emailed are acceptable. Hard copies by post are accepted as a last resort and should be sent to Western Lake District, c/o Maudlands, Maude Street, Kendal LA9 4QD. Please allow time for these to be processed.
